Mr. Roberts --

My client has been on vacation and unable to review our reponse to your second motion to compel. Do you object to a short extention until Tuesday June 15, 2003 for us to file our response? I would appreciate it if you could let me know by close of business today if it will be necessary for me to file a motion on this issue.

I received copies of the surveillance videotapes you requested this morning. They have been sent to you.
